FREEDOM

ENERGIZED & INSPIRED

We enjoyed our stay immensely. The food was delicious and healthy besides. The rooms were very comfortable and the snow-covered surroundings were gorgeous.

The snowshoe walking and the fresh air energized and inspired us with new ideas. The beautiful and peaceful atmosphere gave us just what we needed to leave the stress of the previous weeks behind us.

Many thanks for everything!

This little vacation was certainly not the last time we will be here. We are looking forward to next time!

MYSTERIOUS

JENNY'S RECIPE - TIRAMISU

INGREDIENTS

1 c.	spelt cookies
¾ c.	hot cereal coffee
10 T.	maple syrup or agave
2 c.	soy milk
2 c.	coconut milk
7 T.	cornstarch
1/3 c.	coconut oil
1 t.	pure vanilla
1/3 t.	salt
1/3 c.	soy cream
to taste	carob powder

PREPARATION

While stirring constantly, boil cornstarch, soy milk, coconut milk, vanilla, salt and 7 T. of the maple (or agave) syrup in a saucepan until it thickens.

Remove it from the heat and stir in coconut oil and soy cream by hand or with an electric mixer until smooth. Divide this mixture in half for faster cooling.

Mix 3 T. maple (or agave) syrup with the cereal coffee. Dunk each cookie quickly into this coffee mixture and arrange a bottom layer of them on a rectangle glass pan. Cover these with half of the cream mixture.

Add a layer of dunked cookies and then the rest of the cream. Dust lightly with carob powder (not too much).

Cool until serving.

TIP

Also delicious with bananas or your choice of berries directly on the cookies and topped with the cream.
